## we're twice the paper we were

Market activity keeps going up and up—new issues appear as more firms file registrations—mergers and acquisitions occur with growing frequency—personnel make their moves—business expands and the tempo of today's trading intensifies at an unparalleled pace. How do you keep up with it all! Staying on top of all these fast breaking developments becomes a meaningful part of your everyday business life—even an important influence on your total income. That's why, beginning May 8th The O-T-C MARKET CHRONICLE goes weekly—52 issues a year instead of only 26 times.
